Onyx Bold Nicaragua 'Dare to Be Bolder'

FORT LAUDERDALE, Fla. – The ***Onyx Bold Nicaragua*** certainly lives up to its name. A smoke of championship pedigree, the ***Onyx Bold Nicaragua*** is a medium-to-full-bodied cigar that will be sure to delight the enthusiast in search of a dark Nicaraguan cigar – that is full of flavor.

“The ***Onyx Bold*** is a much anticipated follow up to the award-winning ***Onyx Reserve***, which boasted an impressive 94 cigar rating from Cigar Aficionado when it was first introduced,” said Rafael Nodal, Head of Product Capability for Tabacalera USA. Now back with three vitolas that includes a larger 60 x 6 Magnum, the expertly constructed ***Onyx Bold Nicaragua*** delivers a complex smoking experience that adult smokers expect from the Onyx Brand.

This distinctive cigar is handmade at the AJ Fernandez factory in Nicaragua and “brings a meticulously fermented dark, San Andres wrapper that envelopes a unique blend of Nicaraguan tobaccos aged for more than four years”, Nodal said.

To add to the excitement, the ***Onyx Bold Nicaragua*** will be offered three sizes: 54 x 6 Toro; 50 x 5 Robusto; and now in a bigger 60 x 6 Magnum vitola to round out the big and bold cigar experience.

The ***Onyx Bold Nicaragua*** is presented in a sleek matte black 20-count box with eye-catching touches of silver and white that is sure to make a bold statement in any humidor.

To put it simply, ***Onyx*** is back and bolder than ever.
